CASSETTE RECORDER/PLAYER

HA-802 Portable Cassette Recorder/Player *Our Most Popular Recorder!*

Versatility and value is what you get when you purchase the Hamilton HA-802 portable cassette recorder/player. This reliable, performance-oriented, full-featured recorder incorporates an automatic recording level control function that ensures a steady sound level without having to adjust volume. In addition, the HA-802's built-in condenser microphone faithfully captures every word and sound. Other outstanding features include separate jacks for remote control and external microphone, two ¼" headphone jacks and a convenient cord storage compartment.

- Two ¼" Headphone Jacks
- 1 Watt Amplifier
- Built-In Condenser Microphone
- Automatic Level Control
- Operates on AC or 4 "C" Cell Batteries (not incl.)
- UL and CSA Listed
